---

## Course information

### Overview

The Certificate in Warehousing and Storage Principles is a four-day qualification that develops the knowledge an employee will need to work safely and responsibly in a warehouse or storage facility. It is aimed at providing employers with newly trained individuals in the principles of effectively working in a warehouse or storage facility. This qualification helps boost learners' career prospects by giving them the skills, knowledge and understanding that the employers are looking for.

### Course Content

The course will cover the following subjects to teach and develop the potential employee and to build their confidence and effectiveness in employment;

- Understand Health, Safety, Security and Legislation
  - Understand how to receive and store goods and materials
  - Understand how to process orders and dispatch goods
  - Understand how to deliver effective customer service
  - Understand how to be an effective team worker
- 

## Assessment

Classroom delivery, with achievement of the assessment criteria evidenced through contextualised, vocationally-related and practical experiences, along with completion of portfolio of evidence.

---

## Certification

Delegates will be awarded the Pearson BTEC Level 2 Certificate in Warehousing and Storage Principles.

---

## More details

### Progression Opportunities

On successful completion of a BTEC short course qualification, learners can progress to, or within, employment and/or continue their study in the same, or related, vocational area.

The Edexcel BTEC Level 2 Certificate in Warehousing and Storage Principles (QCF) has been developed to give learners the opportunity to:

- Achieve a nationally recognised Level 2 vocationally related qualification
- Progress to employment in a particular vocational sector
- Progress to related general and/or vocational qualifications L2 and L3
- Develop functional skills and personal learning and thinking skills
