

AgilePM Project Management Foundation

Accreditation	APMG
Course duration	3 Days
Certificate valid for	Never expires

Who should attend

This accredited course is designed for Project Managers, who require an understanding of the agile approach and/or who are intending to run projects using the DSDM® framework. The course will also benefit agile team members and Senior Managers who may be investigating the implications of adopting Agile Project Management within their organisation. It is also designed to equip practising Project Managers with the confidence to sit the AgilePM® Foundation qualification.
