

# **CPCS Reach Truck (A18)**

**Accreditation** CPCS

Course duration 2-4 Days depending on experience

Certificate valid for 2 years

## Who should attend

This course is aimed at people who require a formal qualification for operating a Reach Truck Forklift.

We will conduct a learner analysis to identify the duration of training required for those with limited or no experience, whereas experienced operators can attend a two-day experienced worker course.

## **Course information**

### Course content

Through a combination of targeted training and experience, an individual with the reach truck will be able to:

- Describe the nature of the sector of industry and their role ad responsibilities as a plant operator
- Name and explain the purpose of principal components, the basic construction, controls and terminology
- Conform with manufacturer's requirements as per the operator's handbook, other types of information source and relevant regulations and legislation
- Undertake all pre-use checks
- Explain need and function of appropriate documentation
- Configure and set for travel
- Travel to and manoeuvre in confined spaces (with and without loads)
- Configure and ready for lifting and transferring duties
- Explain actions required for hazards, underground and overhead services
- Lift and remove various loads up to the full working height of the forklift
- Transfer and place loads accurately at given locations
- Place and remove loads from a vehicle
- Maintain safe working situations
- Maintain safe and tidy working areas
- Carry out shut down and securing procedures
- Explain the loading and unloading procedures for machine transporting

# **Entry requirements**

Learners must have passed the Operatives Health, Safety and Environment Test within the last 2 years, prior to course start date.

Good understanding of spoken and written English.

## **Assessment**

Mixture of classroom-based teaching and practical exercises, followed by one day assessment - CPCS technical tests.

## Certification

Learners will receive a Red CPCS Trained Operator Card on passing the CPCS technical tests, valid for two years.

After gaining on-site experience, you must complete an NVQ level 2 within two years to apply for the blue CPCS Competence Card which is renewable every five years.

### More details

## **Grants and Funding**

Grants against the cost of your CPCS training and testing are available for eligible employers. For further information please visit the <u>CITB Grant page</u>.

We can provide construction SMEs with less than 250 employees with free level 2 construction NVQs through our Skills Support for the Workforce programme, funded by the European Social Fund. Please contact us for the regions that are currently eligible, this is for a limited time only.
