

NCFE CACHE Dementia Care

Accreditation	NCFE
Course duration	3 months blended learning
Certificate valid for	Never expires

Who should attend

The NCFE CACHE Level 2 Certificate in the Principles of Dementia Care is eligible for European Social Funding and is for learners working, or about to work in the health and social care sector, giving them knowledge and understanding in the principles of caring for those with dementia.

Course information

Course Overview

This qualification aims to assist learners to develop their knowledge and understanding of the principles of caring for those with dementia. It covers areas such as person-centred care, the influence of positive communication methods, issues relating to the use of medication for those with dementia and the importance of providing appropriate activities.

Course Objectives

The qualification doesn't infer competence in the work role but can be used to support the underpinning knowledge and understanding needed for those working in, or towards, a dementia care role.

Course Units

1. Dementia awareness
 2. The person centred approach to the care and support of individuals with dementia
 3. Understand the factors that can influence communication and interaction with individuals who have dementia
 4. Understand equality, diversity and inclusion in dementia care
 5. Understand the administration of medication to individuals with dementia using a person centred approach
 6. Understand behaviour in the context of dementia
 7. Understand the benefits of engaging in activities in social care
-

Assessment

To be awarded the Level 2 Certificate in the Principles of Dementia Care learners are required to successfully complete 7 mandatory units.

Assessment involves a blended delivery approach - This is a mixture of face-to-face and remote sessions with a qualified health and social care assessor.

Certification

Delegates will be awarded the NCFE CACHE Level 2 Certificate in the Principles of Dementia Care.
