Course information

Course Overview

This qualification is designed for learners with an interest in, or who are already working with, individuals with learning disabilities in a variety of roles.

This qualification aims to give learners knowledge and understanding to work with individuals with learning disabilities or difficulties. They will explore the principles of safeguarding and positive risk taking and gain awareness of the autistic spectrum.

Course Objectives

The objectives of this qualification are to prepare learners for employment and to support a role in the workplace where the individual may work or interact with people with learning disabilities. This is primarily for those within healthcare and social care but may also be useful to those working in education or housing support roles.

Course Units

1. Understand the context of supporting individuals with learning disabilities
2. Principles of safeguarding and protection in health and social care
3. Introduction to personalisation in social care
4. Principles of positive risk-taking for individuals with disabilities
5. Introductory awareness of autistic spectrum conditions
6. Principles of supporting individuals with a learning disability to access healthcare

Assessment

To be awarded the Level 2 Certificate in Principles of Working with Individuals with Learning Disabilities, learners are required to successfully complete 6 mandatory units.

Assessment involves a blended delivery approach - This is a mixture of face-to-face and remote sessions with a qualified health and social care assessor.

Certification

Delegates will be awarded the NCFE CACHE Level 2 Certificate in Principles of Working with Individuals with Learning Disabilities.
