Course information

Course Overview

The aim of this qualification is to increase learners' knowledge and understanding of common childhood illnesses to enable them to support the development and well-being of infants and children they support and care for.

Course Units

1. Understand how to provide a safe and healthy environment for babies and young children
 2. Understand common childhood illnesses
 3. Understand health emergencies and specific health conditions in an early years setting
-

Assessment

To achieve the Level 2 Certificate in Understanding Common Childhood Illnesses, learners are required to successfully pass all 3 mandatory units.

Assessment involves a blended delivery approach - This is a mixture of face-to-face and remote sessions with a qualified health and social care assessor.

Certification

Delegates will be awarded the NCFE CACHE Level 2 Certificate in Understanding Common Childhood Illnesses.
