---

## Course information

### Course Overview

This qualification is designed for learners who want to enter and/or progress from entry roles in the Warehousing and Storage industries. Learners will develop the underpinning knowledge necessary to support them in their role in this sector. Completion of this qualification will support progression into employment or into higher level roles in the industry. The qualification is ideal for learners not in employment, or who cannot access an Apprenticeship. It would also be ideal for prison-based learners preparing for release.

This qualification will:

- focus on the study of the warehousing and storage industry
- offer breadth and depth of study, incorporating a key core of knowledge

### Course Objectives

The objectives of this qualification are to:

- allow learners to progress to employment within the warehousing and storage industry
- provide informed and prepared potential employees

### Course Units

1. Introduction to warehousing and storage
  2. Understand how to receive and store goods
  3. Understand how to process orders and prepare them for dispatch
  4. Understand how to check stock and update records
  5. Customer service in warehousing and storage
-

## Assessment

To be awarded the NCFE Level 2 Certificate in the Principles of Warehousing and Storage, learners are required to successfully complete all 5 mandatory units.

Assessment involves a blended delivery approach - This is a mixture of face-to-face and remote sessions with a qualified assessor.

---

## Certification

Delegates will be awarded the NCFE Level 2 Certificate in the Principles of Warehousing and Storage.

---

## More details
