

IOSH Managing Safely

Accreditation	IOSH
Course duration	3 Days
Certificate valid for	Never expires

Who should attend

This three-day course is designed for Managers and Supervisors in any sector in any country. Managing Safely is unlike any other safety and health course. Why? Because it delivers practical step-by-step guidance with a sharp business focus that's hands-on and jargon-free. The innovative format and content is engaging and inspiring – critical to embedding safety and health throughout your entire organisation.

- Provides the knowledge and tools required to manage safely
- Flexibility of delivery that suits your business
- Efficient and effective learning – health, safety and environmental basics covered in a single programme
- Managers who successfully complete *Managing Safely* can attend the *Managing Safely Refresher* course to update their knowledge when required.

Because every manager needs an understanding of their safety and health responsibilities!

Course information

Managing Safely is unlike any other safety and health course. Why? Because it delivers practical step-by-step guidance with a sharp business focus that's hands-on and jargon-free. The innovative format and content is engaging and inspiring – critical to embedding safety and health throughout your entire organisation.

What to Expect

- Memorable and thought-provoking facts and case studies
- Modules backed by clear examples and recognisable scenarios
- Summaries to reinforce key points
- Checklists and materials supplied for subsequent use in the workplace
- Interactive quiz and discussions
- Practical exercise based on the operations of a real business
- Successful delegates awarded a *Managing Safely* certificate

Top 5 Business Benefits

- Greater productivity – fewer hours lost to sickness and accidents
- Improved organisation-wide safety awareness culture and appreciation of safety measures
- Active staff involvement to improve the workplace
- Internationally recognised certification for managers and supervisors
- Enhanced reputation within the supply chain

Top 5 Delegate Benefits

- Ensures you can assess and control risks and hazards
 - Ensures you understand your own responsibilities for safety and health
 - Enables you to investigate incidents
 - Empowers you to measure your own performance
 - Allows for personal reflections on good practice.
-

Assessment

At the end of the course candidates will be required to carry out the following:

- A practical risk assessment based project
- A short exam (25 multiple-choice questions)

Delegates are responsible for submitting their assessments within the required timescales. If assessments are not submitted by this time the candidate will fail the course.

Certification

IOSH recommends that delegates refresh their training every three years to keep their knowledge up to date.

More details

Progression

Many people that study the IOSH Managing Safely qualification go on to study for a NEBOSH Certificate (General, International, Construction and/or Fire Certificates).
