

NPORS Plant Loader Securer (N120)

Accreditation	NPORS
Course duration	1-2 Days depending on experience
Certificate valid for	5 years

Who should attend

This course is designed for those who require a formal qualification in the use of loading and unloading mobile plant,

We will conduct a learner analysis to identify the duration of training required for those with limited or no experience, whereas experienced operators can attend a one-day Experienced Worker Assessment (Test Only).

Course information

Overview

To provide knowledge and understanding in the following areas:

- Have a basic understanding of the industry, the dangers of working in the industry and their responsibilities as an operative in the industry
- Have a working knowledge of the manufacturer's handbook for the particular machine to be used and relevant legislation
- Be able to identify different types of transport, explain their purpose, the major components, basic construction, controls and terminology
- Conduct all pre-operational checks in accordance with manufacturer's and legislative requirements
- Conduct all necessary safety checks at the loading / unloading area
- Ensure that the transporter is correctly configured in readiness for loading and unloading
- Explain hazards that may exist in the work area and how to avoid them, e.g. underground services, overhead power lines etc
- Agree a method of communication and use it
- Load or direct items of plant onto and off transporting vehicle
- Arrange and secure items of plant on transport vehicle ready for transport on the public highway
- Carry out all end of shift and shut down procedures

Entry Requirements

For learners applying for the NPORS CSCS Card, or for those requiring the 'HS&E TESTED Logo' displayed on their card they must have passed the CITB Operatives Health, Safety and Environment Test within the last 2 years.

Good understanding of spoken and written English.

Assessment

NPORS Theory assessment made up of open questions and multiple choice.

NPORS Practical assessment.

Certification

Traditional NPORS Card

For entrants that wish to apply for the NPORS Traditional Card, there is no requirement to do an NVQ qualification. If the 'HS&E TESTED Logo' is required on the card, entrants must ensure they have attended and passed the CITB Operatives Health, Safety and Environment Test within the two years prior to application for the card.

New Entrants who wish to Apply for an NPORS/CSCS Card

New entrants to the NPORS Scheme will undertake training / testing in the usual way.

New Entrant – No NVQ Held

Once successfully tested operators who do not hold the requisite NVQ with the units applicable to the category of plant achieved will be issued with a Trained Operator card valid for 2 years from the date they were tested. During the two year period they will be required to register for and achieve the requisite NVQ with the unit credits applicable to the category(s) of plant held on their Trained Operator card.

On successful completion of this process a Competent Operator card will be issued valid for 5 years from the date of application. A CPD record / operator logbook will also be issued.

New Entrant – NVQ Held

Once successfully tested operators who do currently hold the requisite NVQ with the unit credits applicable to the categories of plant held on their NPORS card will be issued with a Competent Operator card valid for 5 years from the date they were tested. Operators in receipt of the Competent Operator card will also be issued with a CPD record / operator logbook. This will be an ongoing record of the operators continuous professional development and of their operating hours in the workplace.

Please note that in all cases operators will have to supply proof of having passed the CITB Health, Safety & Environmental touch test within the two years prior to application for the card.

NPORS Cards can be requested with an individual expiry on each category, or one expiry date for all categories held.

About NPORS

Established in 1992, the National Plant Operators Registration Scheme is now one of the UK's leading Accreditation and Registration Bodies, working across the Construction, Industrial, Utilities, Warehousing and Distribution, Agricultural, Ports and Marine sectors.

NPORS offers flexibility, whilst maintaining standards, both nationally and internationally by working with industry and Accredited Training Providers.

Validating An NPORS Operator Card

The categories on the reverse of the Operator Card can be validated by scanning in the QR code on the front of the card, using the online card checker or by contacting NPORS on 01606 351240.
