

CPCS Forward Tipping Dumper (A09)

| | |
|------------------------------|----------------------------------|
| Accreditation | CPCS |
| Course duration | 2-3 Days depending on experience |
| Certificate valid for | 2 years |

Who should attend

This course is aimed at people who require a formal qualification for operating a forward tipping dumper.

We will conduct a learner analysis to identify the duration of training required for those with limited or no experience, whereas experienced operators can attend a two-day experienced worker course.

Course information

Course content

- Operate the machine to a minimum standard
- Fit and operate ancillary equipment
- Site the machine safely and efficiently
- Know which minor adjustments and routine servicing procedures are necessary, and be able to carry them out
- Prepare the machine for travelling on the public highway
- Understand the capabilities, purposes and limitations of each machine
- Apply all necessary safety precautions
- Understand how diesel engines work and how various parts of the machine operate.

Entry requirements

Learners must have passed the Operatives Health, Safety and Environment Test within the last 2 years, prior to course start date.

Good understanding of spoken and written English.

Assessment

Mixture of classroom-based teaching and practical exercises, followed by one day assessment - CPCS technical tests.

Certification

Learners will receive a Red CPCS Trained Operator Card on passing the CPCS technical tests, valid for two years.

After gaining on-site experience, you must complete an NVQ level 2 within two years to apply for the blue CPCS Competence Card which is renewable every five years.
