

CPCS Ride on Roller (A31)

Accreditation	CPCS
Course duration	2-3 Days depending on experience
Certificate valid for	2 years

Who should attend

This course is aimed at people who require a formal qualification for operating a ride-on roller.

We will conduct a learner analysis to identify the duration of training required for those with limited or no experience, whereas experienced operators can attend a two-day experienced worker course.

Course information

Course content

- All pre-start, running checks and shut down procedures
- Set roller for travel
- Awareness of on-site hazards
- Set the roller for compaction duties
- Place roller in an out of service condition
- Recognise compacted/uncompact areas
- Conditions that may cause instability of the roller
- Safety procedures when working up to unsupported edges
- Loading and unloading procedures on/off a transporter.

Entry requirements

Learners must have passed the Operatives Health, Safety and Environment Test within the last 2 years, prior to course start date.

Good understanding of spoken and written English.

Assessment

Mixture of classroom-based teaching and practical exercises, followed by one day assessment - CPCS technical tests.

Certification

Learners will receive a Red CPCS Trained Operator Card on passing the CPCS technical tests, valid for two years.

After gaining on-site experience, you must complete an NVQ level 2 within two years to apply for the blue CPCS Competence Card which is renewable every five years.
